INTRODUCTION

The first section of this document is a list of the Conservation Areas, second is a list of the Scheduled Ancient Monuments. The third and largest section is a list of all the Listed Buildings and Building of Local Interest.

There are 40 Parishes in the Wakefield District, to aid the navigation of this list, the monuments and buildings are organised by Parish.

For details of how to find more information about anything in this list, please see the Contact Us section at the back.
